DOUBLE UMPIRE SYSTEM.

To Be Tried in Northern League, Offi-cials from Players.

cials from Players.

The vice-presidents of the Northern league, who are directing the affairs of the league, held a meeting yesterday afternoon at Burlington to transact the remaining pre-season business. The vice-presidents are: W. L. Davis of Rutland, F. Henry Parker of Burlington, H. P. O'Hagan of Plattsburg, and L. H. Greene of Montpelier, who were all present. Others in attendance were the league president, George D. Jarvis, and the league secretary, L. J. Beatty of

ton.

It was voted that for the first two weeks of the season the double umpire system would be used; that is, one man will umpire the strikes and balls and the other the bases. These men are to be selected from the pitchers and catchers not playing in the game, one from each team, the choice to be made by the captains.

It was also voted to yest all voting

It was also voted to vest all voting power, and to submit all questions that might arise to the four vice-presidents. The reason why the double umpire system is to be tried is the inability of the vice-presidents to agree on the selection and choice of umpires, one of \$10,000 REWARD OFFERED the powers given them by the by-laws.
